## PERSONAL STATEMENT

An ambitious, hardworking and enthusiastic MD seeking to pursue every avenue to expand skills and expertise in the corporate world of biomedical sciences. My fields of interest are urgency medicine, gastroenterology, specifically intestine transplantation and lengthening, gynecology in infertility with a deep knowledge and practice of assisted reproductive technology. And the role of human microbiota in nutrition, weight control and psychiatric disorders. I distinguish myself as a well-rounded, resourceful, and independent individual with a keen sense of professionalism and a firm ability to cope with stress.
